3 How to Enable/Turn-On the Component

This component should be available by default when the Evolution set up is enabled on a page. If it is still not available, then it can be enabled by going to the *Design mode* of the page and click *Configure* button on any prays and select from the list of available components (MetLife 2.0 based on the market) and

click on ✓ symbol to complete the selection.

4 Component Dialog

- Select edit to open the dialog and begin editing the component fields.

Feature Overview

Configuration

1. **Title** – Provide a meaningful title for the table.
2. **Download Required** – Check/Uncheck the checkbox if download is required.
3. **Download Field Label** – This text field appears when 'Download Required' checkbox is checked. Provide label for the download button.
4. **Select File Path** - This field appears when 'Download Required' checkbox is checked. Provide the file path from where a file can be downloaded.

5. **Read More Label** – Provide the text to appear on read more field. This usually appears when there are more than 10 rows.
6. **Read More Aria Label** – Provide a meaningful aria label.
7. **Category Title** – Provide the title here. Each category title corresponds to each row title.
8. **Category Copy** – Provide the description here. Each Category Copy corresponds to each row description.

There are no variations for this component.

The image shows a configuration window titled "Table Content" with a standard toolbar (help, maximize, close, check). The configuration is organized into sections:

- Configuration**
 - Title ***: A text input field containing "Title Goes Here". A green circle with the letter 'A' is positioned to the left of the field.
 - Download Required**
 - Download File Label ***: A text input field containing "Download pdf". A green circle with the letter 'B' is positioned to the left of the field.
 - Select file path ***: A text input field containing the path "/content/forms/NewForms/BrochuresAndUsermanuals/life-insurance/MET_FU-1.PDF" with a checkmark icon to its right.
 - Read More Label ***: A text input field containing "Read More".
 - Read More Aria Label ***: A text input field containing "Read More".
- Table Fields**: A collapsed section indicated by a downward arrow.
